Fun Food Facts

Iceberg lettuce is actually a member of the Sunflower family

The sunflower family is the largest plant family on earth. Some other members of the sunflower family include: artichokes, endives and raddichio.

Oh, and you know how Iceberg Lettuce got its name? Growers used to pack it with crushed ice to ship.

Regular Menu

Little Jewels is

Congratulations to our Little Jewels Graduates of 2019! We have over 50 students leaving us to move on to kindergarten in the fall!

We could not be prouder of the progress they have made with us at Little Jewels.

If you are interested in coming to see our graduation program this month, please see someone in the office
